

HELLO SUMMER

designed by  AMARAR
CREATIONS

FPP &
Traditional Piecing

12" square

Intermediate

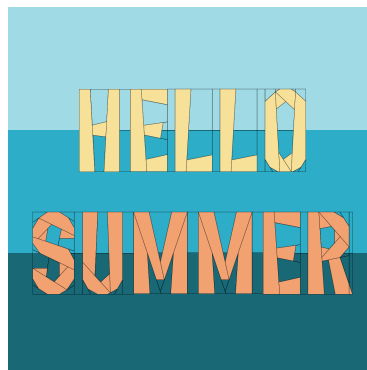

HELLO SUMMER is a pattern that combines traditional piecing and Foundation Paper Piecing technique to get a 12" (30.5 cm) square block with the summer quote "HELLO SUMMER". It is a pattern in a modern and casual style, which you can combine with other blocks to make a quilt or make a hanging quilt, a beach bag or a pillow case.

The document includes the FPP templates to sew all the letters and the cutting and assembling instructions to make the full block with the two words. The pattern also include a design sheet you can use to color and customize the pattern with it your own style.

Its difficulty is intermediate, as the FPP letters have many units, some very small. So, it requires some knowledge and practice of Foundation Paper Piecing technique. If you are interested in learning Foundation Paper Piecing technique please visit my website where you will find tutorials and you can contact me for any question about the pattern or the technique.

The letters are from my Modern International Alphabet pattern which is made up with 63 characters, including the numbers and some other signs. It's an original pattern made by Amara Creacions and available at the Amara Creacions website Shop. It's a very versatile pattern that will allow you to customize any of your creations or create a quote quilt. It's also an ideal pattern to learn and practice the FPP because it contains very easy characters and some other for more advanced skills.

Start up your imagination and let's get started!

2. Terms of Use	6
3. Design Sheet	7
4. Letters Templates	8

NOTE: It's important, before beginning to sew, to read the assembly instructions of this pattern.

Assembly Instructions

First, sew and join the letters and then assemble the full block. You can check the needs of fabrics in the back cover of the pattern.

Letters Assembly

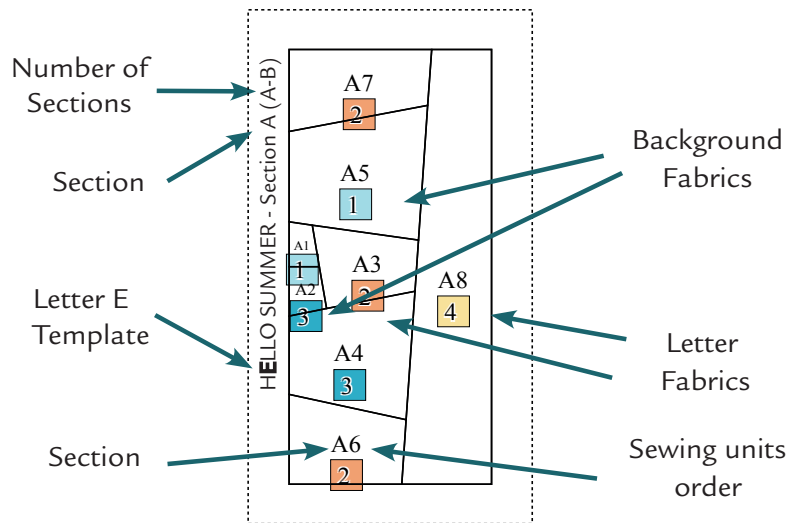

1. **Print** the **sections** templates for all the Letters.

2. **Cut** them with the 1/4" (0.64 cm) seam allowance included to join them.

3. **Choose and cut the fabrics.** This pattern does not include cutting templates as the pieces are very tiny.

4. **Sew all the letters by sewing every fabric** to its section following the sewing units order.

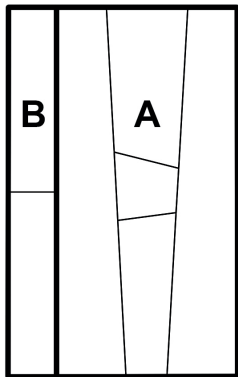

IMPORTANT: Sections templates are mirrored, so, sew the fabrics to the not printed side of the paper.

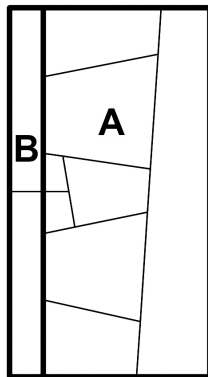

5. **Join the sections of every letter** according to the order and the sections diagram established below.

IMPORTANT: The sections diagrams are **MIRRORED**, they are the views of the printed side of the paper.

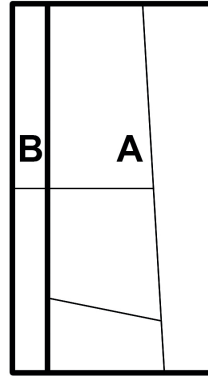

H: A + B

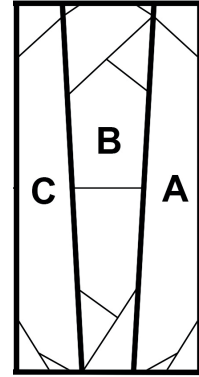

E: A + B

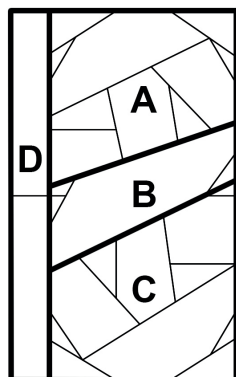

L: A + B

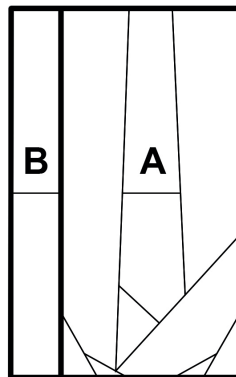

O: A + B + C

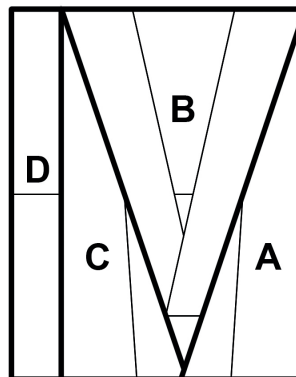

S: A + B + C
(A + B + C) + D

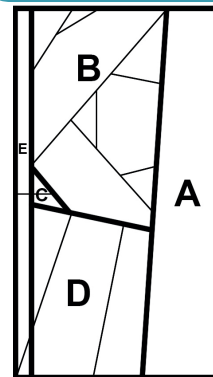

U: A + B

M: B + C
A + (B + C) + D

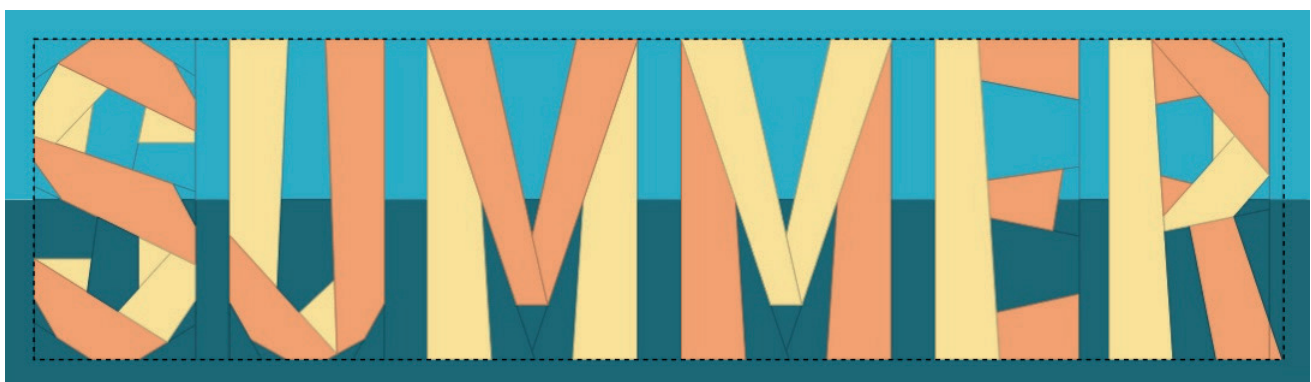

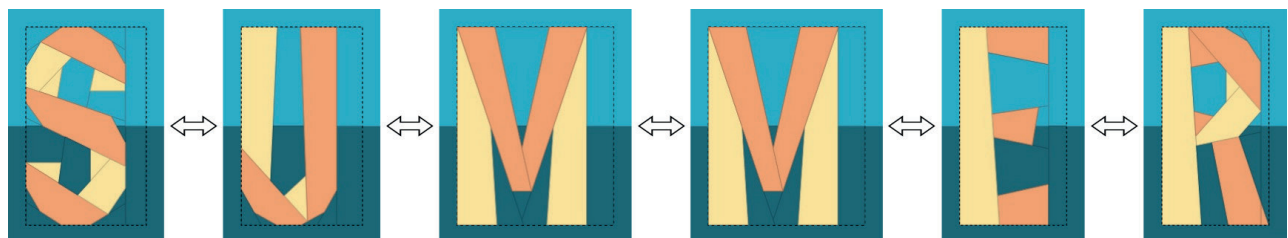

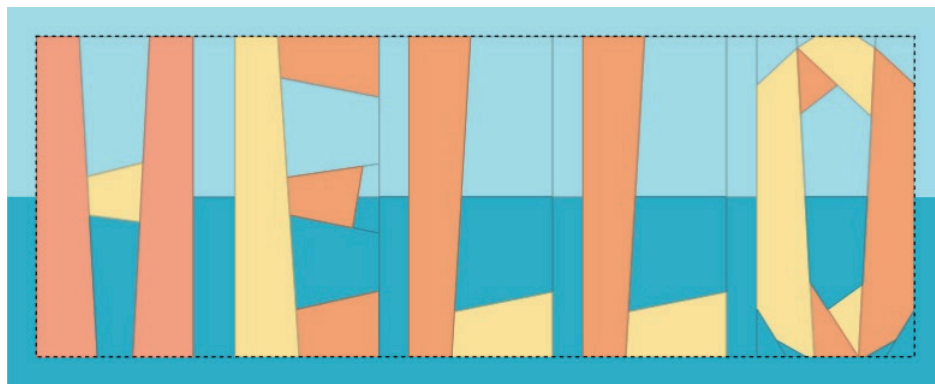

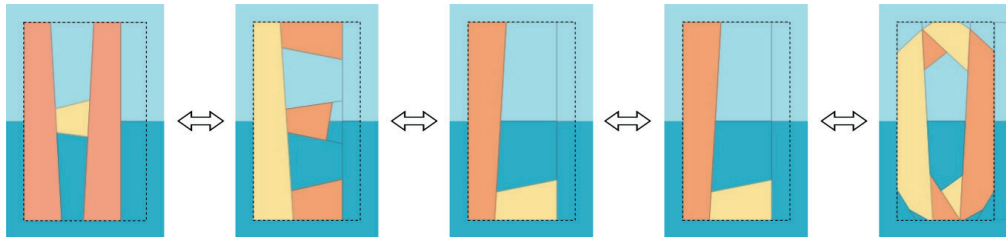

R: B + C
(B + C) + D
A + ((B + C) + D) + E

6. Join together the **letters** to obtain the 2 words: **HELLO** and **SUMMER**. Join them by the seam allowance line in every letter template. For a more accurate result is better to remove the paper after joining the letters.

IMPORTANT: This graphics are the letter viewed by the right side of the fabrics.

Block Assembly

NOTE: Join all the pieces with 1/4" seam allowance and press seams as you prefer.

1. Cut all the **fabrics** to assemble the block with the letters sewn before (1/4" allowance included).

Fabric	Cutting		
	Piece	No.	Size
Fabric 1	A	1	12 1/2" x 3 1/8" (31,75 x 8 cm)
	B	2	2 3/4" x 2" (7 x 5 cm)
Fabric 2	C	2	2 3/4" x 2" (7 x 5 cm)
	D	1	12 1/2" x 1 3/4" (31,75 x 4,5 cm)
	E	2	1 1/8" x 2" (2,75 x 5 cm)
Fabric 3	F	2	1 1/8" x 2" (2,75 x 5 cm)
	G	1	12 1/2" x 3 1/8" (31,75 x 8 cm)

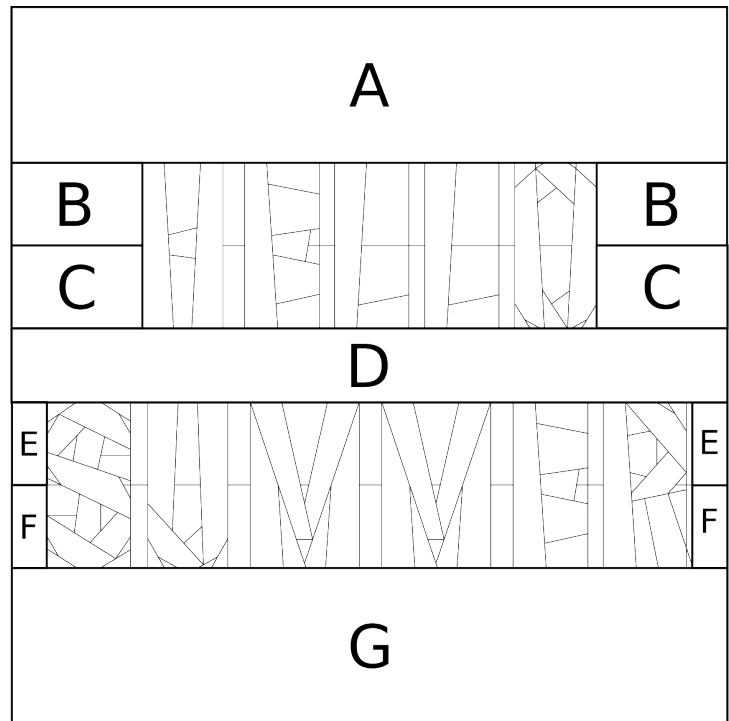

Fabric 1 has to be the same fabric as the top half background of the HELLO word.

Fabric 2 has to be the same fabric as the bottom half background of the HELLO word and the top half background of the SUMMER word.

Fabric 3 has to be the same fabric as the bottom half background of the SUMMER word.

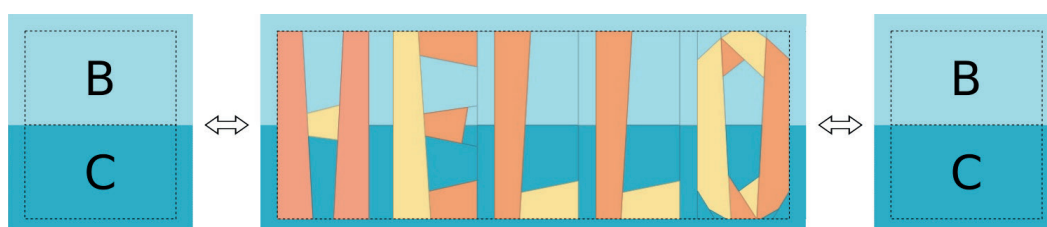

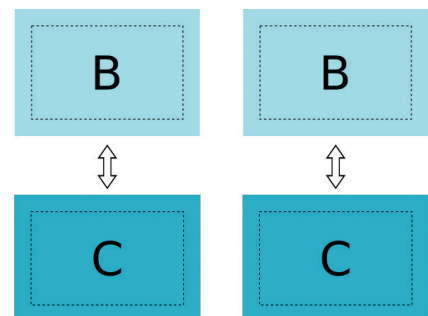

2. Join the pieces **B** and **C**. Join them by the longer side. The piece **BC** has to be 2 1/2" x 3 1/4" (6,35 x 8,3 cm).

3. Join the **BC** pieces to the **HELLO** word. Make sure the joining line between B and C matches with the fabric 1 and 2 joining line at the background of the letters. Once joined them, if it's necessary, trim the excess fabrics and make this piece sizes 12 1/2" x 3 1/4" (31,75 x 8,3 cm).

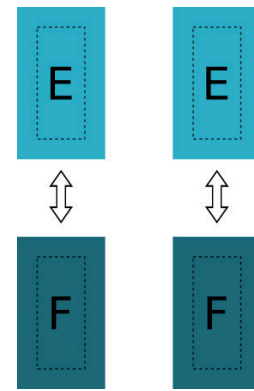

This Sections Diagram will help you to see the fabrics needed to assemble the block and how to place them.

IMPORTANT: This sections diagram is NOT MIRRORED. This is how you will see the block by the right side of the fabrics.

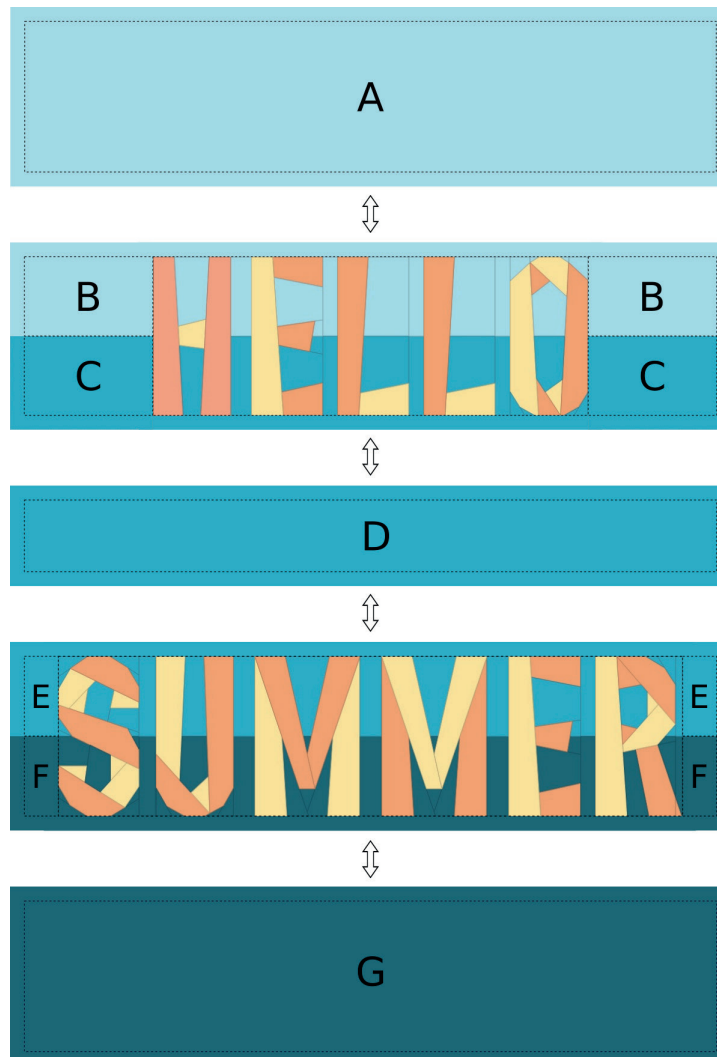

4. **Join** the pieces **E** and **F**. Join them by the shorter side. The piece **EF** has to be $7\frac{7}{8}'' \times 3\frac{1}{4}''$ ($20,2 \times 8,3$ cm).

5. **Join** the **EF** pieces to the **SUMMER** word. Make sure the joining line between E and F matches with the fabric 2 and 3 joining line at the background of the letters. Once joined them, if it's necessary, trim the excess fabrics and make this piece sizes $12\frac{1}{2}'' \times 3\frac{1}{4}''$ ($31,75 \times 8,3$ cm).

6. **Join** the pieces **A**, **BCHELLOBC**, **D**, **EFSUMMEREF** and **G**.

7. The **full block is finished** and the sizes will be **12 1/2" x 12 1/2" (31.75 x 31.75 cm)**. Ready to be joined to other blocks or to make with it what your imagination inspires you!

Terms of Use

This document is the version 1.0 of the HELLO SUMMER pattern, AC-017EN. You can download the updates for free. To do this, check the below link to see if there is any update and then download the free pattern again:

- Check for updates: <https://www.amararcreacions.com/en/patterns-updates>
- Free pattern page: <https://www.amararcreacions.com/en/quilt-block-mania-hello-summer>

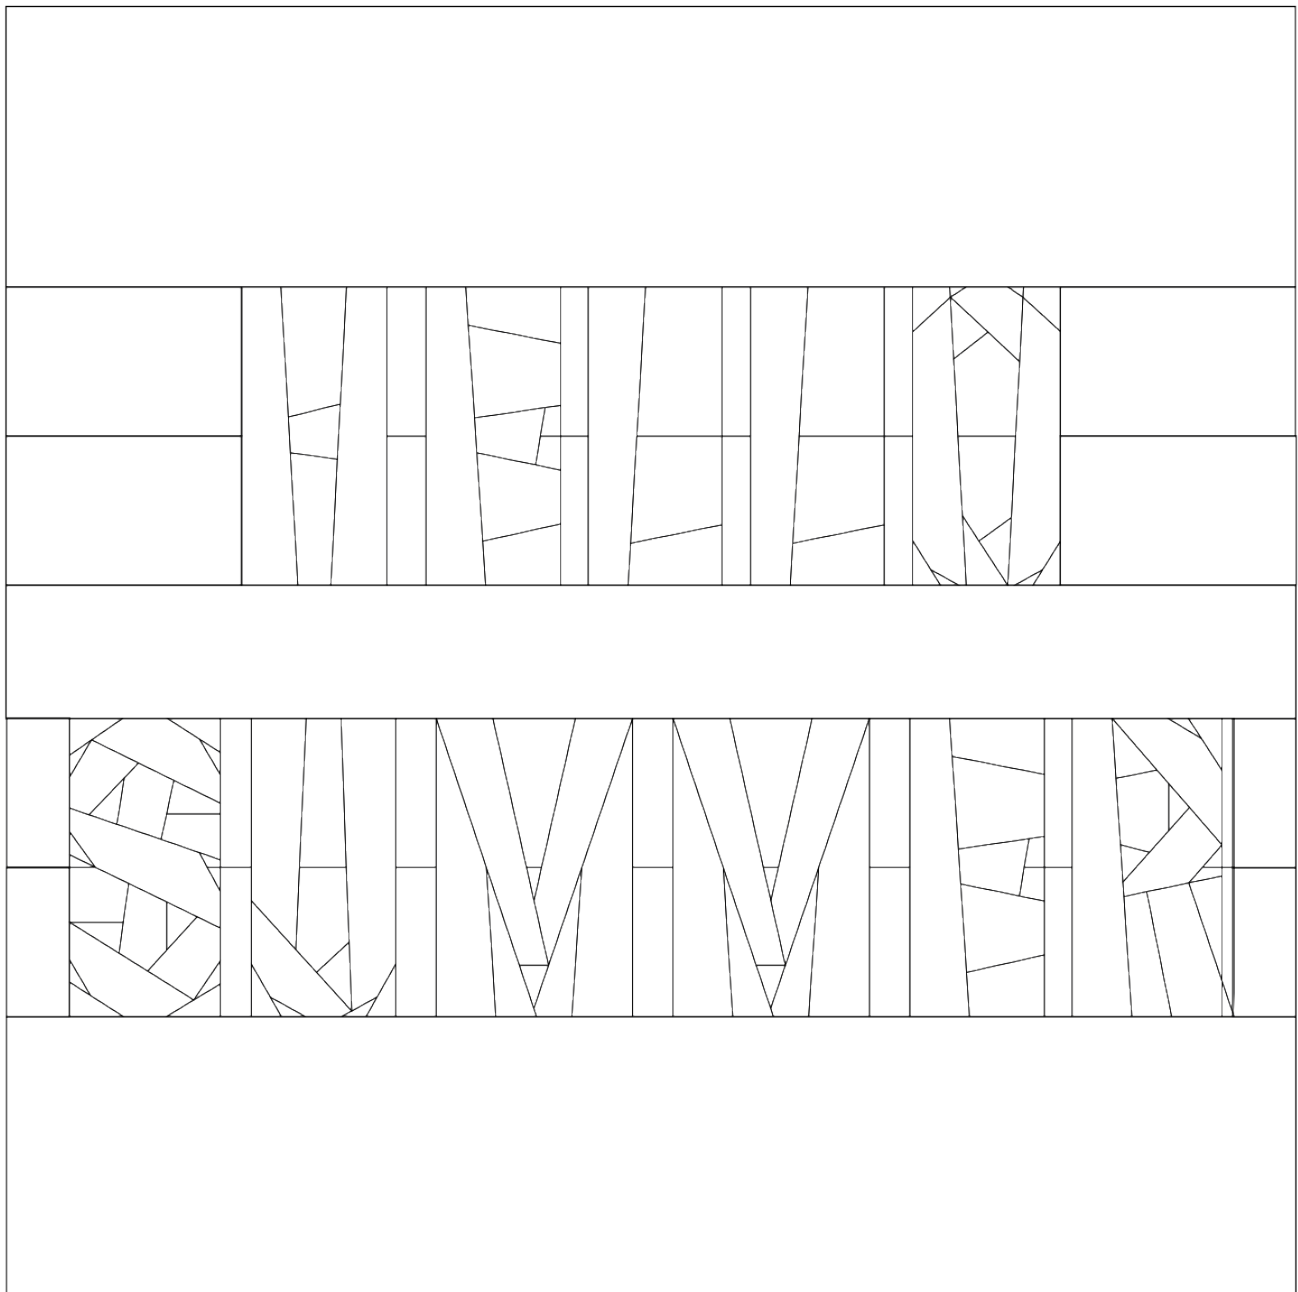

Do not copy or redistribute this pattern in any form, it's for personal use. You may sell handmade items made from this pattern, sewn by you on a small scale, but mass production of any sort is not allowed. If you sell or show a picture of your made item, the credit for the pattern must be given to Amarar Creacions.

Design Sheet

Here you have a pattern drawing that you can color and use for choose the fabrics. You can choose to make the block like the original design, all the letters with the same fabric, one fabric per word or change the colors of the original design.

This image is not reversed, so it's how you will see the design, by the side of the fabrics, as it will be after finishing the assembly of the entire block. It's important to be aware that the sections diagrams and the templates of the letters are mirrored, so, if you color them, it has to be reversed to this image.

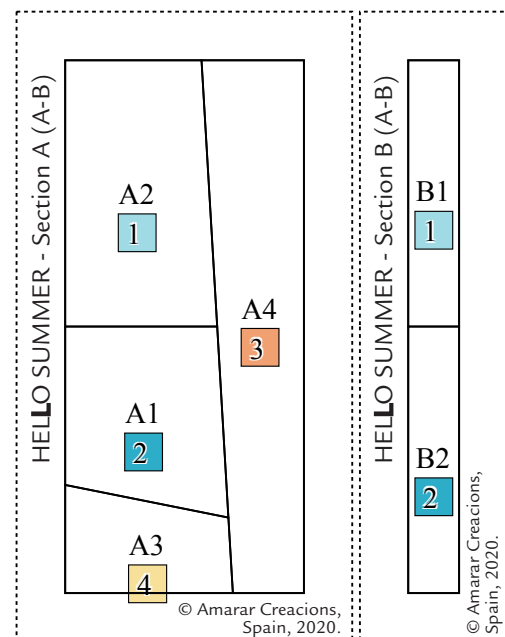

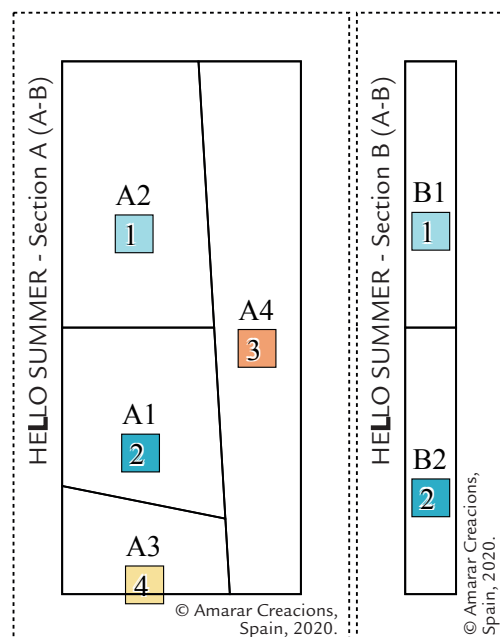

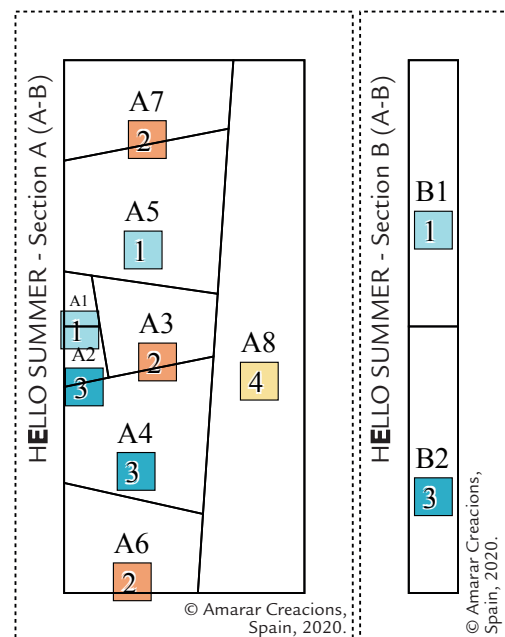

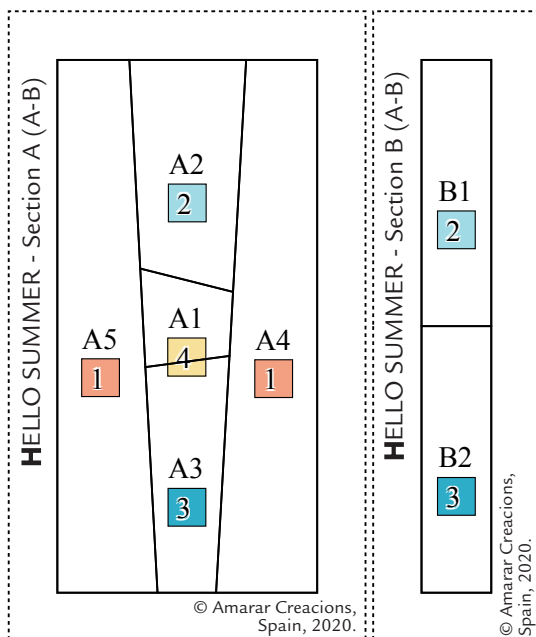

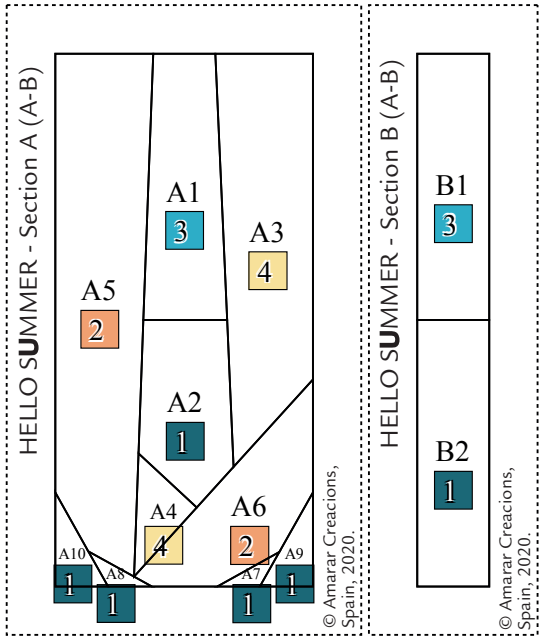

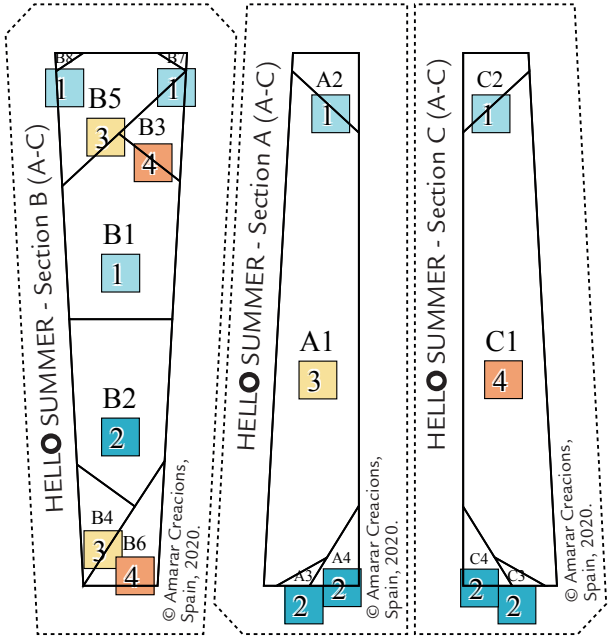

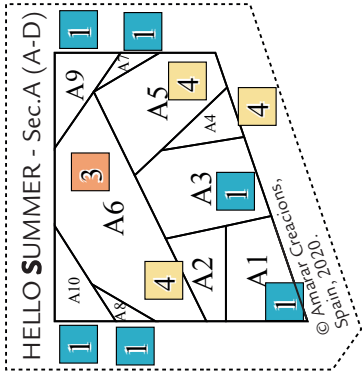

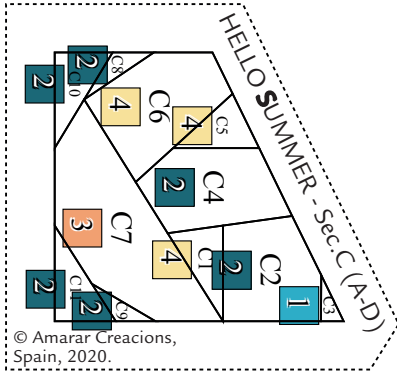

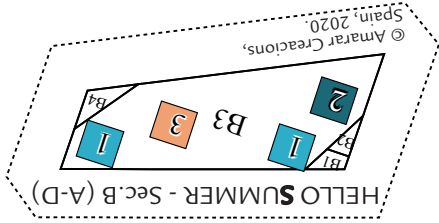

Letters Templates

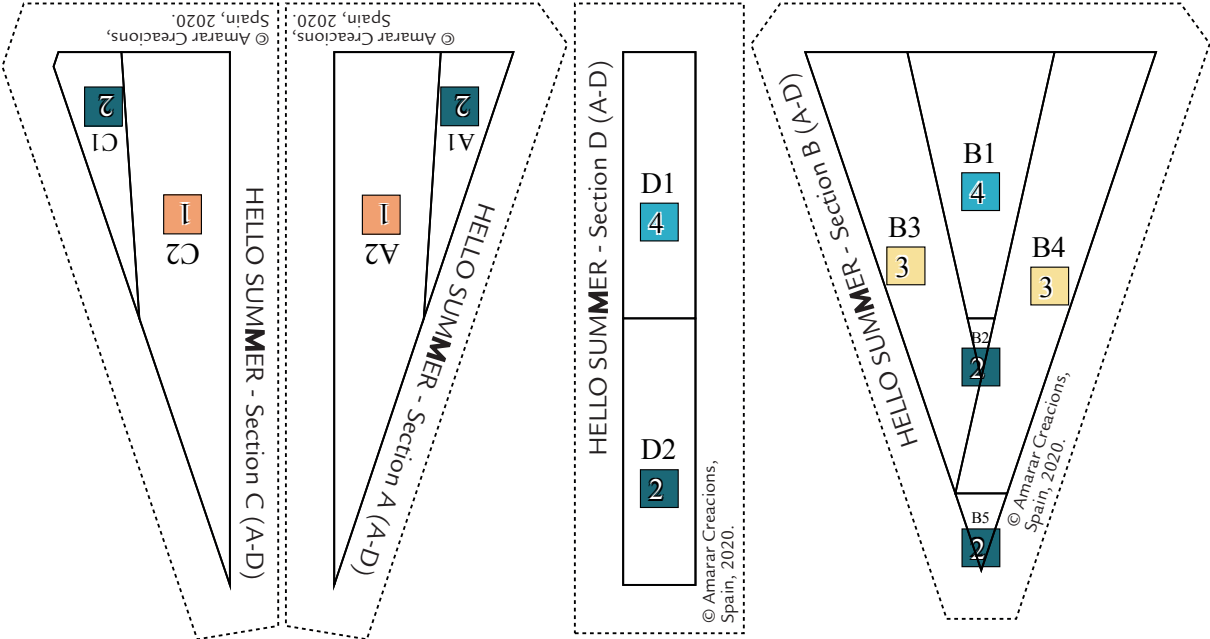

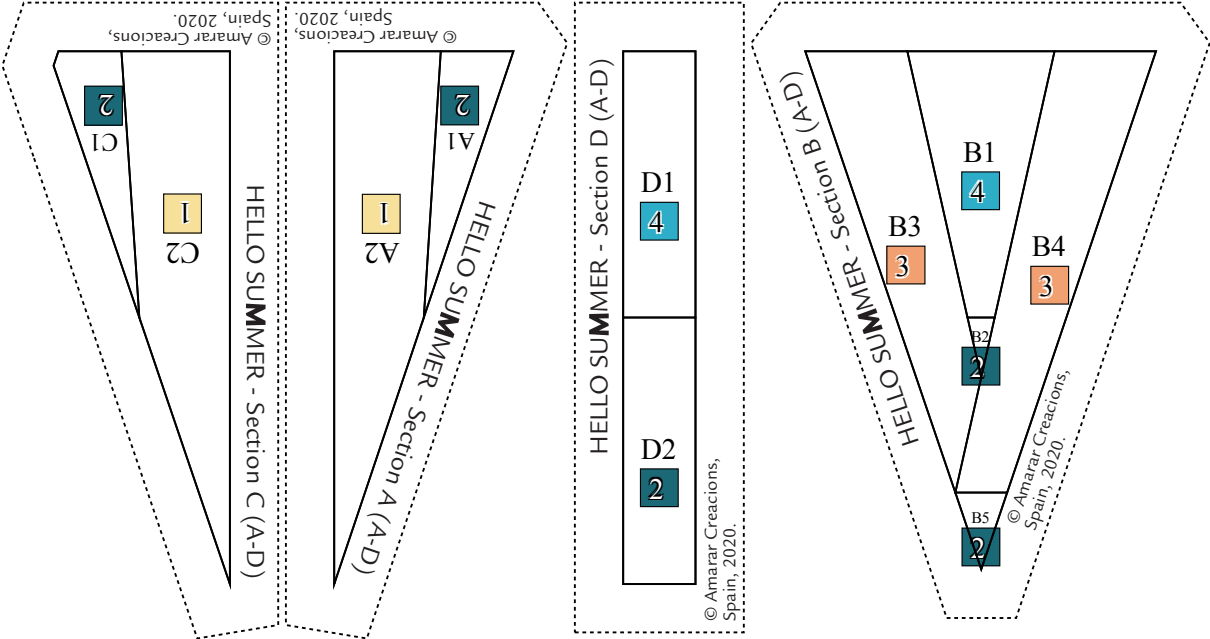

1. Cut the templates for the sections with the 1/4" (0.64 cm) margin included to join them.
2. Before cutting the templates, check the 1" scale block to get the right finished size. If the block is different from 1", check your printer's scale settings.
3. Sew the fabrics to every section, placing them at the not printed side of the paper, and join the sections according to instructions on page 2.

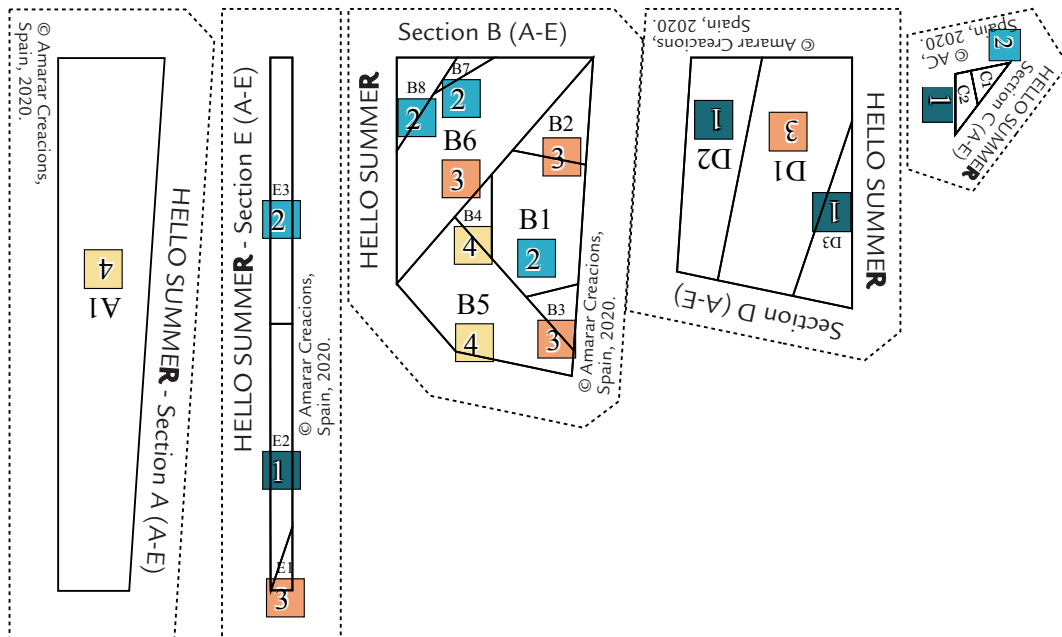

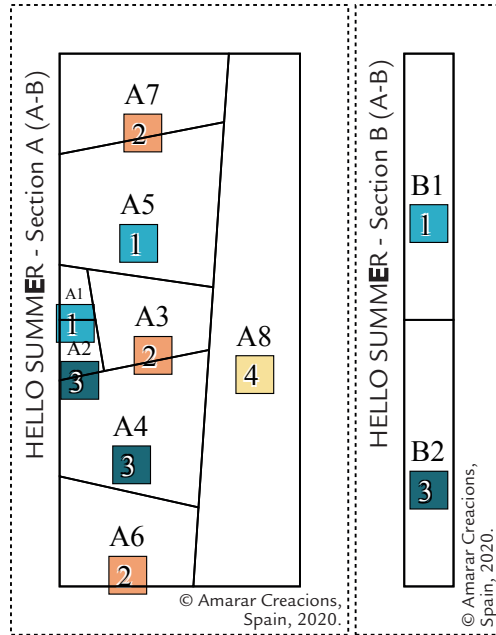

IMPORTANT: Be aware that the numbers in the labeling colors are different in every letter. It's how the software exports them so pay attention at the color and not at the number of the color.
